No.24.D1/48, dated 20th January'49.

Sir,

Sub:- Silk Filature employees- Cooperative Stores Ltd.- Proposal for availing of part time Services- of a subordinate not below the rank of a store keeper, foreman or Lower Division Clerk.

Ref:- G.O.No.2863.Development, dated 29.5.48.

In the G.O. cited Government permitted the employment of two Assistant Foremen of the Government Silk Filature, Kollegal in the filature employees Cooperative Stores Ltd., on a part time basis with an extra remuneration of Rs.15/-p.m. each. The Sericultural Expert, Government Silk Filature, Kollegal has now reported that the work and transactions in the stores have since increased very much on account of reimposition of controls on food grains and that the two Assistant Foremen employed from the filature on part time basis are fully engaged on the sales side and they are unable to attend to the scriptory work. He has further stated that the stores now needs the services of a clerk, but the financial stability is not such as to allow the employment of a full time clerk which would necessitate payment of a minimum salary of Rs.60/- p.m. A copy of the resolution of the directors passed at their meeting received from the Sericultural Expert, Government Silk Filature is enclosed. In the above circumstances the Sericultural Expert suggests that the services of a subordinate of the filature not below the rank of a Lower Division Clerk, store keeper or foreman may be spared for the stores on part time basis. He has assured that this arrangement will not interfere with the normal duties in the filatures. In the above circumstances, I request that Government may be pleased to accord permission to a subordinate of the filatures from among the ranks not below Store keeper, foreman or Lower Division Clerk to take up the part time work in the filature employee's Cooperative Stores, outside the factory hours and to receive an extra remuneration of Rs.20/- p.m. from the stores.
